OBJECTIVE

Analytical and detail-oriented Computer Science Engineering student with strong foundations in data analysis, financial research, and quantitative modeling. Seeking a **Summer Associate – Research** role at Citi to apply analytical skills, market research, and data-driven insights to support industry and macroeconomic analysis, while gaining hands-on exposure to global financial markets and institutional research.

INTERNSHIPS

Besant Technologies | Data Analyst Intern | Dec 2025 – Present

- Performed data cleaning, analysis, and reporting using Microsoft Excel, Python, and SQL to support organized, data-driven decision making.
- Created structured datasets and pivot table-based dashboards in Excel and Tableau to improve business analysis.
- Analyzed datasets to identify trends, patterns, and anomalies for stakeholder reporting.

Cognifyz Technology | Data Science Intern | Jul 2024 – Sep 2024

- Performed exploratory analysis and structured reporting using Python, presenting findings clearly to stakeholders.
- Hands-on exposure to model evaluation metrics such as accuracy and precision.

YBI Foundation | Data Analyst Intern | May 2024 – Jun 2024

- Collaborated with cross-functional teams, supporting pipeline visibility, reporting accuracy, and informed decision-making.
- Used SQL and visualization tools to translate raw data into clear product and performance insights.

ACADEMIC PROJECT

MOOC Recommendation System – Python, Machine Learning | Present

Developing a recommendation system to suggest relevant MOOCs based on user preferences and learning behavior.

TECHNICAL SKILLS

Programming Languages : Python, SQL

Analytics & AI: Exploratory Data Analysis, Machine Learning , Data Modeling, Data Cleaning, AI

Databases: SQL, Firebase

Tools & Libraries: Matplotlib, basic dashboard creation, Microsoft Excel, Google Sheets, Power BI, Tableau

Professional Skills: Problem Solving, Documentation, Continuous Learning, Process Improvement, Organized, Attention to Detail

CERTIFICATIONS

- SQL (Basic) – HackerRank
- Google Analytics for Beginners – Google
- AWS Cloud Service and Fundamentals – Amazon Web Services
- AI & ML – Infosys Springboard
- SQL Concepts – Coursera
- Python for Data Science – NPTEL

EDUCATION

B.E. Computer Science and Engineering

Er. Perumal Manimekalai College of Engineering
(CGPA: 8.16 / 10)

Graduating 2026
